Netherlands

Article name:

SAMAR

Application no.:

118201

Application: IMO Res. A.652 (16) upholstered furniture

The article presented has been classified according to IMO Resolution MSC.61(67) FTP Code Annex 1, Part 8. The fabric passes the test in combination with the foams listed in the Module B issued in your name.

The classification in respect of Module B issued by BG Verkehr / Ship Safety Division is based on the Test Report No. RTE 572/01 of the Technical Research Centre of Finland (VTT), dated 28.02.2001.

The certificate is valid until the expiry date of the Module B issued in your name.
