

Cleaning advice

Xorel textile wallcovering

2023

Some stains may require additional treatment. These stains can be cleaned with water- or solvent-based cleaners. When using solvent based cleaners on paperbacked Xorel fabric, test on a small area first. Residue from these cleaners must be removed with hot water and a clean sponge. After cleaning, towel dry.

Hardened solids can be removed with a stiff brush or a sharp-edged instrument without damaging the fabric. However, the brush or sharp instrument should not be used close to seams.

stain removal methods

Extensive stain removal testing has resulted in the recommendations for specific stains:

Adhesive	Wash with hot water. Towel dry.
Antacid (Maalox)	Wash with hot water. Towel dry
Beer	Wash with hot water. Towel dry.
