

Guarantee provisions

wallcovering

2024

Vescom confirms that the material supplied from all wallcovering collections is guaranteed for a period of five years from the date of sale against manufacturing defects only, when adhered to a sound surface with the manufacturer's recommended procedures and adhesive.

If defects are claimed during this period, and proper documentation is presented to the manufacturer's satisfaction with regard to date of sale plus adhesive used and surface applied to, the manufacturer will supply the material in question. (Or equivalent if this pattern has been replaced.)

The foregoing Guarantee is in lieu of all other Guarantees or Warranties, express or implied written or oral.

Best regards,
Vescom B.V.
