This certificate is issued under the Authority of SPF Mobility and Transports – Marine Transports to attest that Centexbel Notified Body 0493 did undertake the relevant Quality Assessment Procedures for the product(s) identified and described in the Annex to this certificate which was found to comply with the relevant requirements of the Marine Equipment Directive 2014/90/EC and Commission implementing regulation (EU) 2017/306 and with the type described in the EC Type Examination Certificate (Module B) listed in the attachment to this certificate.

EC QUALITY SYSTEM (module E) CERTIFICATE

Nr. MED_Vescom_2017_0001_01_E

Expiry date: 06/11/2022

The manufacturer maintains and applies a quality system in accordance with the requirements of the Maritime Equipment directive Annex B, module E

Name and address manufacturer:

Vescom BV
Sint Jozefstraat 20
5753 AV Deurne
The Netherlands

Annex A item:

A.1/3.19 – Draperies, curtains and other suspended textile materials and films
A.1/3.20 - Upholstered furniture

The manufacturer is allowed to affix the **U.S. Coast Guard approval number** (see annex) as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed February 27th, 2004

This certificate authorises the manufacturer or his authorised representative established within the Community in conjunction with the EC TYPE EXAMINATION (module B) CERTIFICATE of the equipment listed in the scope to affix the wheel mark in accordance with the rules laid out in the article 10 and annex I of the Directive 2014/90/EC.

0493/17

This certificate is issued under the Authority of SPF Mobility and Transports – Marine Transports to attest that Centexbel Notified Body 0493 did undertake the relevant Quality Assessment Procedures for the product(s) identified and described in the Annex to this certificate which was found to comply with the relevant requirements of the Marine Equipment Directive 2014/90/EC and Commission implementing regulation (EU) 2017/306 and with the type described in the EC Type Examination Certificate (Module B) listed in the attachment to this certificate.

The mark shall be affixed to the equipment (together with the name and address of the manufacturer and type designation) or to its data plate so as to be visible, legible and indelible throughout the anticipated useful life of the equipment.

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named on this certificate and/or after lapse of time, withdrawal or revocation of the EC Type Examination (Module B) Certificate.

Issued by Centexbel, notified body 0493, in Ghent, on June 21st 2018
